PC 259888 E IRVINE

On the 20/12/2021 4 informants visited the Hammersmith Front office (this is why it is listed as the venue) with evidence to state that a number of roles within the office of parliament and in other organisations have suppressed information regarding the severity of the health implications from the COVID 19 vaccine.

The informants want this report to be progressed through to the relevant people as soon as possible to inform the public of the "crisis" that is currently happening. Informants are stated in the VIW section of this report. They have a large amount of evidence regarding this matter on memory sticks and in other documents against the suspects regarding the allegations.

20/12/2021 18:21

PC 259888 E IRVINE

The VIWs state that there are more people who they consider as being part of this issue however the main people that they want to hold responsible are

June RAINE is CEO of the MHRA and is CEO of the General medical council.

HAVES Framework

History - This case has been building since the roll out of the vaccine of COVID 19

Agg Factors - No risk of violence to or from suspects

Vulnerability - Informants state that this is ongoing lies to the public and could have impacts on young people.

Escalation - Widespread disorder could be a possibility if this continues and the information that they have is found out by media sources.

I think that the report may be taken further if the VIWs do not get the desired response or investigation from the police.

Non-OIC update

Phillip Hyland, Mark Sexton and Same White attended Hammersmith front office today to furnish the OIC with "evidence" that appeared to be a number of printed journal articles.

They would appreciate an update from the OIC via email,

**** OUTCOME CODE 99 - NO CRIME ****

This reports relates to the UK use of vaccines in response to the Covid 19 Pandemic and the suppression of information regarding the health implications by the government and health care organisation. The informants have claimed they had large amounts of overwhelming evidence that shows the government deliberately mislead the public and have suppressed other cheaper and safer alternative medication/treatments. it is alleged that the government and NHS have been recommending and forcing the vaccine on the public that has lead to death and serious injury.

The material provided shows that there is no basis of this allegation and that no offence has taken place. Due to this the MPS is not pursuing an investigation into these offences.

Outcome code 99
